DO NOT MISS THIS UNIQUE OPPORTUNITY

ISAS Webinar, On 3rd July 2021, at 7 PM, in Zoom Platform. All are invited to join from 6.30 PM onwards.

Topic:

Science and Technology Approach for Atma Nirbhar (Self Reliant) Bharat.

By

Padma Vibhushan Dr Anil Kakodkar

AICTE Distinguished Chair Professor,

Chairman, Rajiv Gandhi Science & Technology Commission,

Former Chairman, Atomic Energy Commission.

Padma Vibhushan Dr Anil Kakodkar is an Exclusive Legend In His Own Life Time, by creating a Prestigious Global Position for India in Science and Technology and, particularly, in Nuclear Science and Technology.

Dr Kakodkar became the Director of BARC in the year 1996 and was the Chairman, Atomic Energy Commission and Secretary to the Government of India, Department of Atomic Energy, during the years 2000 -2009. He was DAE Homi Bhabha Chair Professor during Jan. 2010-Jan. 2015 and INAE Satish Dhawan Chair of Engineering Eminence during Jan. 2015 to Jan. 2017. Currently he is AICTE Distinguished Chair Professor.

A Wholly Indian Made World Class Expert In Science, Technology, HRD And Development Management, Dr Kakodkar executed Key Role in laying Multifarious and Multidisciplinary Development Pathways. Such Development Highways covered The Green and Clean Nuclear Energy and a host of its applications of nuclear energy, that are inextricably integrated with national strategy and development (Quality Industrial infrastructural Development, Medicine, High Quality

Consciousness, Promotion of Excellence and Relevance, Exclusive Human Resources Development integrated with Indian Development Programmes, etc). Further Dr Kakodkar was also a Dynamic and Accurate Trendsetter for several development activities and national institutions engaged in Energy, Education and Science-based development domains, steering of seven committees etc on issues of national importance that directly impacts the Future of India, Indian Youth and India's Self Reliant Development.

Dr Kakodkar established Exclusive LandMarks in Indian Atomic Energy Programme to provide Nuclear Electric Power, to meet all the strategic requirement of India and to outreach (through a variety of routes of Industry, Medicine, Agriculture, Food Preservation and Processing, Collaborative R&D to bring up the education system through active participation, etc) the benefits of Excellence in Indian Science and Technology, to the common man of India. Dr Kakodkar has also established a wide variety of Indian Development Milestones, be it by reviewing the performance of IITs and making them vibrant afresh, initiating NITs and emphasizing improvements in the entire education system, establishing NISERs and HBNI, promoting development of Basic Science Education and Research, Development of Solar Energy in India, Improvements in Oil and Natural Gas Exploration and Exploitation, improvements in Railway Safety,....., making positive and dynamic trendsetting contributions for all Indians to remember for ever.

Dr. Kakodkar presently devotes his time primarily on issues related to energy, education and societal development. He has been propagating the concept of CILLAGE (City and Village), a knowledge-based ecosystem for bridging city and village gaps for technology enabled sustainable development in rural areas.

Dr Anil Kakodkar is also an exemplary and Outstanding Teacher, who easily drives into the listener the crux of any subject with great ease and clarity.

Therefore, This Exclusive and Exemplary Webinar By Dr Anil Kakodkar is going to be an eye opener and greatly beneficial by adding value to their understanding about the Future of India.

This Webinar will be a *UNIQUE exposure to advisors, policy makers, working scientists, academicians, researchers, students at all levels, etc.*

All Are Requested To Join The Webinar And *Derive Benefit Out Of This Rare Cream Information Dissemination Programme, Meant For Updating and Remoulding Professional Acumen, which is The Prime Objective Of ISAS.
