IMPORTANT NOTES FOR ALL CHAPTERS AND INDIVIDUAL MEMBERS OF ISAS:

- As many old Members who were in service have retired and have not informed the EC of ISAS, from time to time over the past several years, about their current whereabouts/contact, etc, nor the various Chapters of ISAS have taken care to update the information and/or add the new Members (if any, after payment of the dues to HQ) the current EC felt it is essential to update the Membership List. Accordingly, this "PRELIMINARY DRAFT OF THE REVISED MEMBERSHIP LIST - ISAS 2021" has been prepared.
- Many relatively newly joined Members also need to be updated and a Chapterwise consolidated List of Members, vetted by all Chapters (against the dues to HQ paid) need be prepared and consolidated.
- The above Preliminary Draft List has been now prepared for circulation through ISAS Website to invite corrections, in the same format, from all Chapters of ISAS and to incorporate the Feedback from Chapters (subject to fulfillment of the dues to HQ) and prepare a consolidated Membership List of ISAS.
- After incorporating the feedback and weeding the duplicate entries, if any, the Membership List will be finalized by EC of ISAS for approval by GB.
- If it is noticed that there is any duplication of Membership Numbers, The EC of ISAS reserves the right to reallocate the Membership Numbers and announce such a Final Revised Membership List through The ISAS Website.
- Provisions will be made to include any left out genuine Members, at any point in future, subject to their proving their Claim.
- This process has the approval of EC, ISAS. Sd/-
